Final Submission and Early Registration due date: **February 25, 2010**

The organizing committee invites you to submit your research work, teaching cases, and proposals for panels and tutorials to Conf-IRM. All conference submissions will be double-blind and peer reviewed. The review process will be handled by the track chairs and co-chairs.

Submission Types and Guidelines

Full Length Submissions

Submissions must be no more than 5000 words, including references, appendices and title page, with a maximum of 5 figures/tables. Submissions must be original, and previously unpublished, conceptual or empirical research manuscript for review. All accepted papers will be published in the conference proceedings in their entirety upon payment of registration fees. Papers accepted and presented at the conference will also be placed in the AIS e-Library. Papers not presented at the conference, for any reason, will not be included in the AIS e-Library. Highly rated papers by the reviewers will be considered for publications in selected Journals. Moreover, the paper that best represents, in terms of quality and suitability to the theme and ideals of the conference will be awarded the "Best Paper" Award during the conference.

Research-in-Progress Submissions

Submissions of no more than 2000 words with a maximum of 3 figures/tables. All research-in-progress submissions will be published in the proceedings as short papers.

Teaching Cases

We welcome submissions of teaching cases. The cases should be based on real situations and targeted at specific learning objectives. Cases should be no more than 5000 words and must be accompanied by instructor teaching notes (not included in the 5000 words). The teaching notes will not be published.

Panel and Tutorial Submissions

Submissions of not more than 1000 words. Proposals should include the objectives, issues to be covered and full details of all presenters. Method of presentation is at the submitter's discretion; however, the submitter has the responsibility for providing his/her own panel members. All accepted proposals will appear in the conference proceedings (*Please note that all panelists and tutorial presenters must register for the conference*).

Important Announcements

- The number of submissions by an author (including joint authorship) is strictly limited to a maximum of two submissions.
- Authors of accepted papers (at least one person per submission) and all panel members **MUST register and attend** the conference.

Submissions of all types must be received by October 15, 2009.
