

# Call for Papers

Submission Deadline: **October 15, 2009**

## **Data, Information, and Knowledge Management**

**Track of the**

2010 International Conference on Information Resources Management (Conf-IRM)

---

May 16-18, 2010

Rose Hall Resort and Spa, A Hilton Hotel  
Montego Bay, Jamaica

**Track Co-Chairs:**

**Pramila Gupta, CQ University-Melbourne, Australia, [p.gupta@mel.cqu.edu.au](mailto:p.gupta@mel.cqu.edu.au)**  
**Shayma Alkobaisi, United Arab Emirates University, UAE, [Shayma.alkobaisi@uaeu.ac.ae](mailto:Shayma.alkobaisi@uaeu.ac.ae)**

### **TRACK COVERAGE**

Data management practices and technology form the core of all business initiatives. The way enterprises manage the staggering volumes and complexity of data from various sources in an efficient and economic manner has become a strategic competitive advantage. Data, Information and Knowledge Management have become essential processes for data analysis, knowledge extraction and decision support in modern enterprises and organizations. The objective of this track is to provide a forum for researchers and practitioners to disseminate and exchange ideas on both the technical and managerial issues associated with data warehousing and database management.

### **RECOMMENDED TOPICS**

The Data, Information and Knowledge Management track encourages the submission of quality papers, and panel and workshop proposals dealing with (but not limited to) the following topics:

- Data warehouse design, maintenance and evolution
- Data warehouse architecture and tools
- Data extraction, cleansing, transforming and loading
- Metadata modeling and management
- OLAP/ROLAP/MOLAP/HOLAP
- Web/multimedia data warehouses
- Real-time/active data warehouses
- Parallel/distributed data warehouses
- Data warehouse security and reliability
- Database Management in complex environments
- Database Management challenges in organizations with heterogeneous legacy systems
- Development of database management professionals
- History of database processing
- Trends in database management
- Data Mining
- Case studies in knowledge management
- Integrating knowledge management in work environment

## **Submission Types and Guidelines**

### *Full Length Submissions*

Submissions of no more than 5000 words, including references, appendices and title page, with a maximum of 5 figures/tables. Submissions have to be original, and previously unpublished, conceptual or empirical research manuscript for review. All accepted papers will be published in the conference proceedings in their entirety upon payment of registration fees. Papers accepted and presented at the conference will also be placed in the AIS e-Library. Papers not presented at the conference, for any reason, will not be included in the AIS e-Library. Highly rated papers by the reviewers will be considered for publications in selected Journals. Moreover, the paper that best represents, in terms of quality and suitability to the theme, the ideals of the conference will be awarded the "Best Paper" Award during the conference.

### *Research-in-Progress Submissions*

Submissions of no more than 2000 words with a maximum of 3 figures/tables. All research-in-progress submissions will be published in the proceedings as short papers.

### *Teaching Cases*

We welcome submissions of teaching cases. The cases should be based on real situations and targeted at specific learning objectives. Cases should be no more than 5000 words and must be accompanied by instructor teaching notes (not included in the 5000 words). The teaching notes will not be published.

### *Panel and Tutorial Submissions*

Submissions of not more than 1000 words. Proposals should include the objectives, issues to be covered and full details of all presenters. Method of presentation is at the submitter's discretion; however, the submitter has the responsibility for providing his/her own panel members. All accepted proposals will appear in the conference proceedings (*Please note that all panelists and tutorial presenters must register for the conference*).

### *Important Announcements*

- The number of submissions by an author (including joint authorship) is strictly limited to a maximum of two submissions.
- Authors of accepted papers (at least one person per submission) and all panel members **MUST register and attend** the conference.

All conference submissions will be double-blind and peer reviewed. The review process will be handled by the track chairs and co-chairs. Submissions of all types must be received by October 15, 2009.

### **Important Dates**

Submission date: **October 15, 2009**

Notification of Acceptance/Rejection: **January 8, 2010**

Final Submission and Early Registration due date: **February 25, 2010**

### **Send all your inquiries to**
