PANEL and TUTORIAL

Panel and tutorial sessions provide the opportunity to present on subjects that are topical and perhaps controversial, and will enable opportunities to enhance the learning experience. Proposals must therefore be on topics that will engage the audience and will include experts in a discussion (or tutorial presentation) that will stimulate interaction, enhance learning, and contribute to the goal of moving the community forward on a particular topic. Proposals that address the conference theme, "Realizing the Digital Enterprise" are especially invited.

Submissions to the Panel and Tutorial track should not exceed 1000 words. Tutorials should be for between 2-4 hours (and are usually held on the day before the main conference). Proposals should include:

- Title of the panel/tutorial

- Description of the panel/tutorial

- Objectives of the panel/tutorial (i.e. issues/topics to be covered, recommended audience)

- Details of all presenters (i.e. Full name, position, affiliation, contact email

- Information about the method of presentation
    - Method of presentation is at the submitter's discretion
    - The submitter of panel proposals is responsible for organising his/her own panel members.
    - All panellists and tutorial presenters must be registered for the conference

Submission Types and Guidelines

Full Length Submissions

Submissions must be no more than 12 pages, including references, appendices and title page. All submissions must follow the submission template specifications. Submissions must be original, and previously unpublished, conceptual or empirical research manuscripts. Papers that are highly rated by the reviewers will be considered for publications in selected journals. The paper that best represents, in terms of quality and suitability, the theme and ideals of the conference will be awarded the "Best Paper Award" during the conference.

Research-in-Progress Submissions

Submissions of no more than 7 pages.   All research-in-progress submissions will be published in the proceedings as short papers.

Teaching Cases

We welcome submissions of teaching cases. The cases should be based on real situations and targeted at specific learning objectives. Cases should be no more than 12 pages and must be accompanied by instructor teaching notes (not included in the 12 pages). The teaching notes will not be published.

Panel and Tutorial Submissions

Submissions of not more than 3 pages: Proposals should include objectives, topics to be covered and full details of all presenters. Method of presentation is at the submitter's discretion; however, the submitter has the responsibility for providing his/her own panel members. All accepted proposals will appear in the conference proceedings.

Important Announcements

- The number of submissions by an author (including joint authorship) is strictly limited to a maximum of two.
- Authors of accepted papers (at least one person per submission) and all panel members and tutorial presenters MUST register AND attend the conference.
- Submissions of ALL TYPES must be received by the above deadlines.
- While the primary language of the conferences is English, papers in French will also be accepted. The ICT in Latin America and the Caribbean track will accept papers in Portuguese and Spanish, as well as English.
- Accepted papers will be published in the conference proceedings in their entirety upon payment of registration fees. Papers accepted and presented at the conference will also be placed in the AIS e-Library. Papers not presented at the conference, for any reason, will not be included in the AIS e-Library.
